Career Decision Process

A Career decision also has been constructed to search career path and identify an educational plan. Below are the process for career decision:

- ✓ **Engage:** If you are aware the various choice to make, you can:
 - Get the advantages of planning in advacne; and
 - Be confident about the educational plans you established reflects your selected career path
- ✓ **Recognize:** The Second step in selecting a career is to be aware on oneself and your options. Un-satisfaction in your work and no interest leads to depression and worthlessness, take a moment to ask:
 - What do I adore? What are my likes and dislikes?
 - What are my capabilities? What am I good at?
- ✓ **Explore:** In this stage you should begin to tally a career with your interests, needs aptitude and search about their educational demands.
- ✓ **Plan:** In this step see what are needed to enter your selected career option. Find - Where do you go to administer it and what assessment you must go through to get it? Ask yourself "How much time and cost it takes?"

- ✓ **Evaluate:** Display and classify your preference. Consider how satisfy you are with the selections you've made; Consult to counselors about your career preferences. Talk to your family about your choices and supply them with information about desired education.
- ✓ **Act:** After going through the above steps and sure about your career selection, than execute the plan and follow the educational requirements which are needed.

Career Tips for Subhash

Assessment tests are surely beneficial, but ultimately it has to be your own choice in selecting a career and/or course-discipline. Few approaches to understand the opportunities are as follows:

- ✔ **Don't remain quite.** At an early age you must be aware and able to plan your career. Take up small jobs in fields which you likes. It is not compulsory to have a jobs; you could just give some time to things you are passionate about. Like, if you like dancing, keep trying different dance styles. This could lead to a career in Choreography.
- ✔ **Always in a contact with people who are more experienced than you.** Discuss with them about career options available, discuss favourable and un-favourable factors of different career oppotunities. You may not understand each career in detail, but getting the basic knowlege of career will be helpful.
- ✔ **Always be careful while choosing career.** Somthing that attract you from outside may not be a good choice, so do a proper research before you are bound in it.
